## Registration and Payment Terms

Applications for the above sponsorship packages can be submitted by **written letter of intent**, indicating the chosen sponsorship package, to the Organising Office **by 15 October 2026**. The content of the sponsorship packages constitutes an offer from the organisers. Written acceptance of this offer by the sponsor constitutes a binding agreement. The sponsorship package fees **do not include VAT**. Payment of sponsorship and exhibition fees is due by **30 October 2026**.

The organisers reserve the right to enter into agreements with sponsors that differ from the advertised sponsorship packages, if this serves the mutual interests of both parties.

Once the letter of intent is submitted, the sponsor **cannot withdraw**, as the organisers will immediately begin providing the agreed benefits (such as communication to participants). Withdrawal is only permitted if the organisers fail, through their own fault, to provide the services specified in the offer. If the chosen sponsorship package has already been taken, the organiser will inform the sponsor immediately and may offer an alternative package.

For exhibition space, the stand can only be occupied if payment is received by the organisers **by 4 November 2026**. Ordered services may be cancelled **by 4 November 2026** with a **15% administration fee**. After 4 November, 2026, the full service fee is payable.
